SUBSTITUTE PRELIMINARY AMENDMENT

Sir:

This is in response to the Office communication, issued May 29, 2007, advising that the amendment document filed on May 25, 2006 is considered non-compliant because it failed to meet the requirements of 37 CFR 1.121 or 1.4. Applicants are hereby re-submitting the Preliminary Amendment filed on May 25, 2006, in which original claims 1-35 were not correctly cancelled before new claims 36-70 were added. The current Substitute Preliminary Amendment has cancelled original claims 1-35 and added new claims 36-70.
